PARK & MUSEUM

Welcome to
Gunnersbury

Vision Statement

We want to make Gunnersbury not just good but also **outstanding**.

This means that Gunnersbury must be **welcoming** all the year round with **excellent facilities** which are always maintained to the highest standards.

But more than this, we want to **excite and delight**. We want to offer a rich variety of experiences and services that attract the widest possible range of visitors from all backgrounds and cultures, income levels and walks of life.

We want to restore and open up **our buildings and gardens and parkland**, and provide a rich mix of cultural and museum and learning services.

We want to encourage **discovery**, with opportunities for people to explore and **learn about the past** that has shaped our present times and **understand and appreciate** the natural world we inhabit.

We want Gunnersbury to be known as a **resource for health and well-being**.

And beyond the park we want our offsite work and digital platforms to reach out and **engage people from every part of Ealing and Hounslow, and beyond**.

A community led board

Gunnersbury will soon be recruiting for new trustees and a chair. We want our board to be representative of the community and speak for the community.

There's so much going on at Gunnersbury, and so much to look forward to - there's never been a better time to get involved.
